DCC's Christmas Party – Andiamo's, on the River at the Renaissance Center – Detroit, Michigan

Dearborn Contracting Company celebrated the close of another year at Andiamo's, on the River, at the Renaissance Center in Downtown Detroit. Representatives of HCD, DMW, and DCC enjoyed appetizers and dinner, overlooking the Detroit River and Windsor, Ontario, Canada.

The year 2018 brought many challenges that were successfully met at a Group-wide level. Our repertoire of work projects expanded and we learned many lessons that will help us grow stronger in the coming year.

This New Year again brings opportunities and challenges. With cooperation, team work, and developing creative solutions to challenges, we expect to be strengthened in 2019.

We look forward to another year of serving our customers through outstanding contributions by our Project Managers, Engineers, Millwrights, Carpenters, Iron Workers, and other tradesmen.
