DCC – Dearborn Contracting Company

Starting 2019 with a Big Name Customer – Art Van

Recent news – January 31, 2019:

Artisan’s Group, LLC and Art Van selects Dearborn Contracting Company for major warehousing upgrade

Dearborn Contracting Company recently secured a contract with Artisan’s Group LLC for the fabrication and installation of a two-level mezzanine at Art Van’s Warren warehouse location.

The new work includes a significant amount of mezzanine construction in an existing facility. Installation activities will run concurrently with ongoing warehouse operations. The project is

set to begin in mid-February with a work duration of approximately seven (7) weeks. The work includes approximately 42,000 sf of useable space on both the second and third level of the new mezzanine. Additional work includes three new stairwells, the modification of one stairwell, and the installation of guardrails/fall protection on both levels of the new mezzanine.

Gary Manning and Tony Lord of DCC are leading the Project Management and Field Operations Activities, respectively.
